► RAG-Top Consulting

RAG-Top Consulting is a Saskatoon-based consulting firm, staffed entirely with Saskatchewan born and raised expertise.

Established in 2004, RAG-Top Consulting has grown considerably in the short time it has been in business, with contracts ranging from issue papers, drafting legislation, policy advice and event coordination.

As a comparatively new face in Saskatoon's growing small business sector, RAG-Top Consulting is firmly committed to top quality product delivered with high-level efficiency and timely completion. Our goal is to build a strong client base and grow our firm through unparalleled service backed by individual experience and qualifications.

RAG-Top Consulting has assembled a team of experienced staff with complimentary and efficient skill sets designed to ensure top quality service and product.

Research and Writing

RAG-Top Consulting will ensure that your projects include up-to-date and accurate statistical and historical research presented in a clear and easily understood format.

Communications

RAG-Top Consulting understands and supports the need for excellence in both internal and external communications

Seminars

RAG-Top offer seminars in writing, research, communications, media relations and building networks to assist clients in building a strong, qualified internal staff.

Policy Analysis and Development

RAG-Top Consulting has expertise in developing administration, finance and communications.

RAG-Top offers

quality analysis of external policy to ensure your awareness of potential impacts.

Media Relations

With several years experience and strong media networks, RAG-Top can assist you with all your media needs.

Event Coordination

RAG-Top would like to coordinate your Gathering, conference, workshop or seminar. With a strong network of potential speakers, RAG-Top will ensure your event is a success.
